# AFM-PLUS SERIES

World-class Aluminum ESD workplace products for Test & Measuring

TABLES | TROLLEYS | RACKS

AFM-TA-AL

ESD range:  $10^4$ - $10^8$  ohms  
IEC 61340-5-1 & ANSI ESD S20.20.2014

TUV Certified for ESD Standards

Test & Measuring | Electronic Assembly | Workplace Ergonomics

For almost four decades, Messung has been at the forefront of industrial automation in India. Today, our competencies are as diverse as our portfolio - which spans the fields of Home, Office & Hotel Automation, Building & Infrastructure Automation, Power Distribution & Control, Energy Management, Test & Measuring, Electronic Assembly, Workplace Ergonomics and Cleanroom Ergonomics. In these, and many more emerging fields, we are constantly expanding and enhancing our market expertise to achieve - and deliver - the Leading Edge.

Navonmesh is Messung's unique initiative to design and manufacture world-class products in India. With Navonmesh, Messung is reviving its core strength of **indigenous innovation**.

Messung has been working closely with various industries, understanding their needs and challenges, identifying opportunities and technologies to **manufacture** the most relevant products that contribute to the customers' success.

## AFM-PLUS S E R I E S

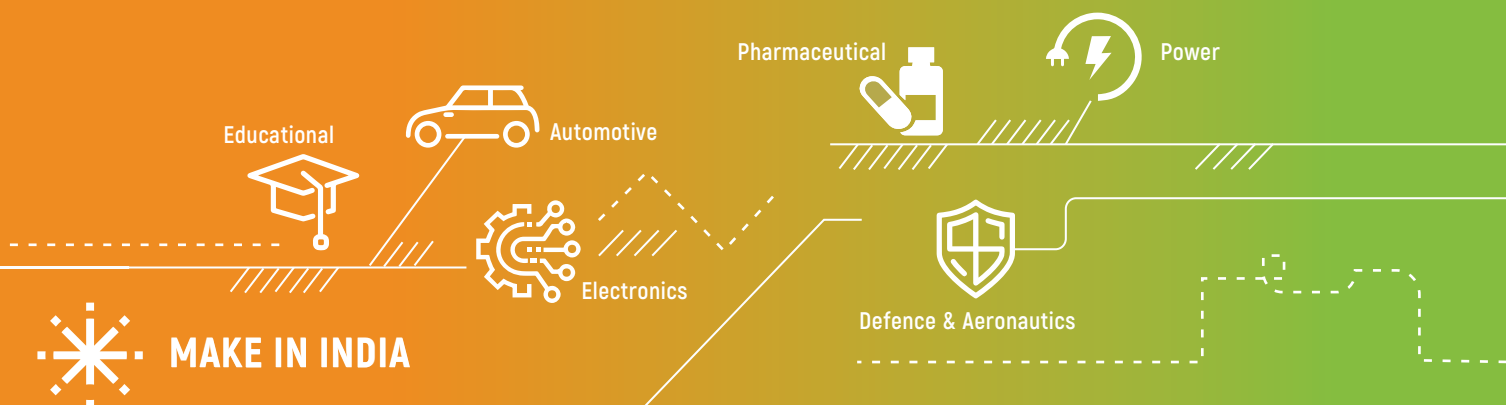

### Test & Measuring

Today, Messung brings you **AFM-PLUS** - indigenously designed and manufactured workplace products for the **Electronics industry**. With **AFM-PLUS**, you're assured protection in ESD environments especially when using precision electronic components. With world-class looks and specifications, **AFM-PLUS** delivers unmatched structural flexibility, ergonomics and modularity, enabling customers to define and optimize their work environment in the Electronics industry.

For **Test & Measuring**, Messung presents **AFM-TA** range of aluminum ESD tables, trolleys and racks.

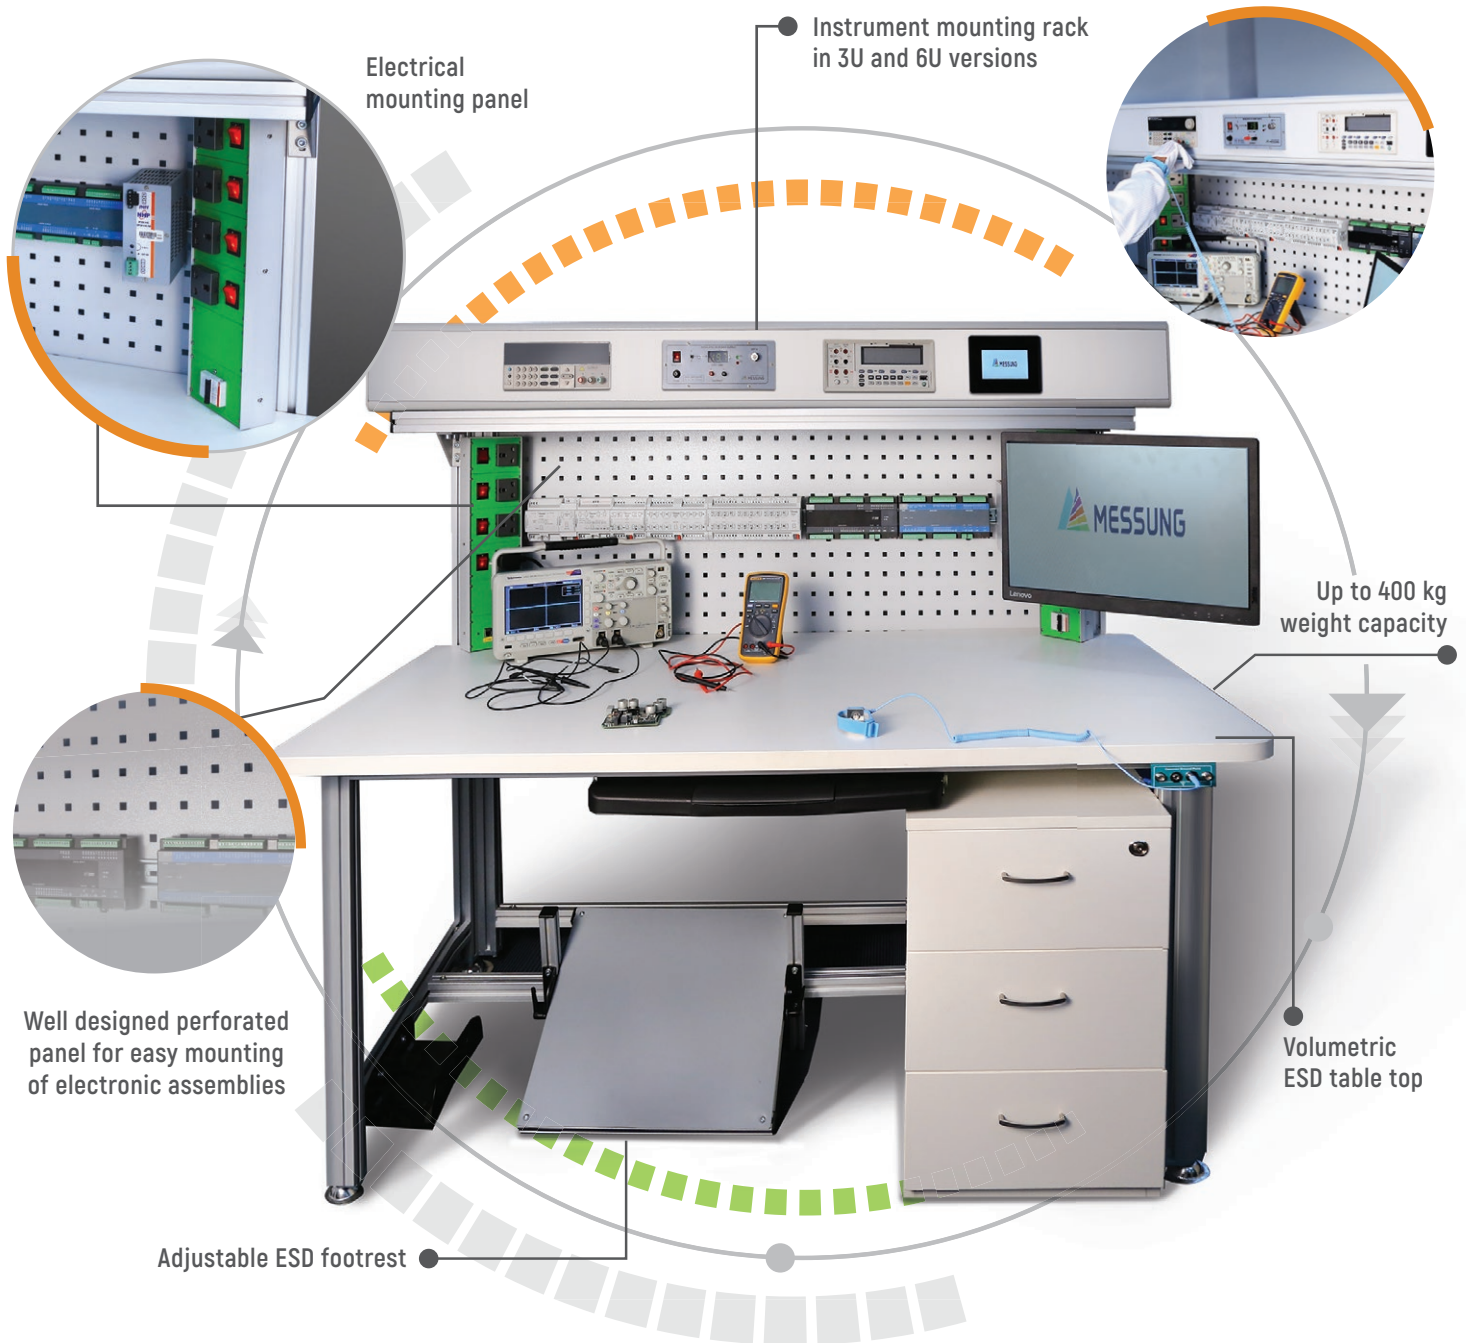

## APPLICATIONS

The new **AFM-PLUS** range is specially designed for use in industrial environments such as Electronics manufacturing, R&D test laboratories, calibration stations, end of line testing in Automotive, Pharmaceutical and FMCG industries.

# AFM-TA-AL Aluminum, ESD Range for Test & Measuring TABLES | TROLLEYS | RACKS

MODULAR &  
CUSTOMIZABLE

- **Electrical mounting panel placed vertically.**

These are mainly used for mains sockets, MCB, Fuses, Indication lamp, Table ON/OFF and Emergency OFF. The electrical mounting panel can also be used for mounting isolated soldering station, fixed power supplies like +/- 5 V, 12V, 24V, with current ratings like 1 Amp, 2 Amp, etc.

- **Instrument mounting rack in 3U, 6U and 9U versions.**

Any instrument for 19" rack assembly can be easily mounted. Special mounting plates & assembly fixtures available for instruments that do not fit in standard 19" dimensions.

- All tables are designed to fit magnifying glass, monitor arm, keyboard tray, bottle holder & ESD footrest.

- AFM-TA tables are available with 19" instrument mounting rack or with ESD shelves.

- All tables come with LED lights providing 2000 lumens.

## AFM-TA ESD Tables Range

Ordering Code

Name	Code	Dimensions (LxWxH) mm
AFM-TA-AL	AFM-TA-TAB-1200	1200 x 850 x 750
(Aluminum Table)	AFM-TA-TAB-1600	1600 x 850 x 750
	AFM-TA-TAB-2000	2000 x 850 x 750

## AFM-DR ESD Drawer Cabinets Range

Ordering Code

Name	Code	Description	Dimensions (LxWxH) mm
AFM-DR Drawer Cabinets (C=With Casters)	AFM-DR-3D-C	3 equal size drawers of 7.5"	400 x 450 x 650

- All drawers are made of ESD volumetric wood, including the outside cabinet
- All drawer cabinets are with casters
- Other varieties may be added later
- We also offer drawer cabinets with non ESD

## AFM-TR ESD Trolleys Range

Ordering Code

Name	Code	Description	Dimensions (LxWxH) mm
AFM-TR Trolley	AFM-TR-STD	Trolley with two shelves and casters with handle	600 x 600 x 1000

- All trolleys are in aluminum and with ESD volumetric wooden tops or shelves

## AFM-RA ESD Racks Range

Ordering Code

Name	Code	Shelves	Dimensions (LxWxH) mm
AFM-RA Racks			
F= Full Height (i.e 6 ft)	AFM-RA-F-8	8	800 x 690 x 2100
H= Half Height (i.e 4 ft)	AFM-RA-H-5	5	800 x 690 x 1500

- All racks are made out of aluminum
- All shelves are volumetric ESD wood
- All shelves are adjustable
